SUBJECT: Briefing on LDX Equipment

1. At a meeting on 30 November [REDACTED] OC, gave a presentation on the capabilities, limitations, and costs of Xerox LDX equipment. The Office of Communications is now pulling together planning information for the future utilization of this equipment and requests the best estimate of our current and future needs. There is only limited information available in DD/S&T on the system--this will be retained by [REDACTED] of OEL for your review if necessary.
